#### **About Monte-Carlo Television Festival**

Originally created by Prince Rainier III of Monaco, and now under the Honorary Presidency of Prince Albert II of Monaco, The Monte-Carlo Television Festival has, for more than sixty years, presented the very best of television from around the world. The Festival has also been at the forefront in showcasing the highly talented professionals associated with many of the most successful programs in the history of the medium.

With an international overview, the Festival is considered a must attend annual event in the global content diary. Celebrities, producers, directors, writers and heads of studios, networks and digital platforms gather in June every year to attend series launches, premier screenings, conferences, press activities, public events, VIP meetings and signing sessions.

Culminating with a unique competition, which celebrates and honors fiction, news and current affairs programming with the prestigious Golden Nymph Awards, The Monte-Carlo Television Festival has been recognized as one of the finest Festivals in the world, enhanced even further by its location in the magical Principality of Monaco.
